

SmokeFree Policy Statement

Purpose

This policy has been developed to protect all employees, customers and visitors from exposure to second-hand smoke and to assist in compliance with the Health Act 2006.

Exposure to second-hand smoke increases the risk of lung cancer, heart disease and other serious illnesses. Ventilation or separating smokers and non-smokers within the same airspace does not completely stop potentially dangerous exposure.

Policy

It is the policy of Shorts Group Ltd that all our workplaces are smoke-free, and all employees have a right to work in a smoke-free environment. Smoking and the use of e-cigarettes and similar devices are prohibited in all enclosed and substantially enclosed premises in the workplace and all work vehicles. This policy applies to all employees, customers, consultants, contractors and visitors.

Implementation

Overall responsibility for policy implementation and review rests with the Directors. However, all employees are obliged to adhere to and support the implementation of the policy. They shall inform all existing employees of the policy and their role in the implementation and monitoring of the policy. They will also ensure that new employees are given a copy of the policy on recruitment/induction. Appropriate 'No-Smoking' signs will be clearly displayed at the entrances to and within the organisation's premises and in all vehicles.

Non-compliance

Disciplinary procedures will be followed if a member of staff does not comply with this policy. Those who do not comply with smoke-free law may also be liable to a fixed penalty fine and possible criminal prosecution.

Help to stop smoking

The NHS offers a range of free services to help smokers give up. Visit www.nhs.uk/smokefree or call the NHS Smoking Helpline on 0300 123 1044 for details.
